Dear {Contact},

This is to inform you that Cart-Away Concrete Systems, Inc, herein known as Cart-Away, with headquarters and manufacturing facilities located at 1405 NE Alpha Dr, McMinnville, OR 97128 is the creator, marketer and manufacturer of the CMK-175 1-3/4 Cubic Yard MixKing Mixing Trailer. The design and function of the units are proprietary to Cart-Away and is used by customers to mix up to 1-3/4 yards of concrete using the most efficient and cost effective means available. The MixKing Trailer was designed to provide a complete, compact mixing trailer with a GVW of 10,000 lbs to allow it to be towed without a commercial endorsement.

Cart-Away is the sole manufacturer and marketer of the CMK-175 in the United States. No other representatives can sell this same product in the USA. Any Purchasing Groups that would quote you will get their numbers from us, as well.

Please feel free to contact me if you have questions.

Take Care,

Shannon Reilly
Manager of International and Government Sales
